Shodhan Dentistry Refund Policy

A patient may discontinue treatment and ask for a refund from Shodhan Dentistry at any time. Shodhan Dentistry will not issue a refund for any treatment that the patient has already received.

All refund requests must be submitted in writing. Refunds will be mailed or transmitted within fifteen (15) days after Shodhan Dentistry receives your request. Refunds will be made in the same manner as the original payment, except that cash payments will be refunded by check.

Refund requests must be submitted within a six month period, if patient does not submit a refund request in writing within the six month period, no refund will be issued after this period. It is the patient's responsibility to request the refund in writing.

In an event that lab work have been submitted, the cost of lab work will not be refunded. X-rays and exams costs are not refundable.
